THE WEAVER

"Not till the loom is silent
And the shuttles cease to fly
Shall God unroll the canvas
And explain the reason why —
The dark threads are as needful
In the Weaver's skillful hand
As the threads of gold and silver
In the pattern He has planned."

Administration

The pen, mightier than the sword, is the weapon and the tool of educated men.

A D M I N I S T R A T I O N

Mr. Guy Lee has served as Assistant Superintendent of Schools in Springfield for the past fourteen years. Coordination of the vast school bus transportation system, supervision of building maintenance and grounds, and general assistance to the superintendent are his main responsibilities.

Harold Beall, District 19 Superintendent of Schools, is married and the father of two daughters. Mr. Beall has served as teacher and administrator in the public schools of Oregon for twenty-two years. For three years, he served as a member of the OEA Commission on Teacher Education and Professional Standards. He is president of the Oregon Association for Supervision and Curriculum Development. He was a member of the 1959 NEA-AASA Russian Education Study Tour. A busy friendly man, he personifies "the guiding hand" of Springfield schools.

Mr. Walter Commons, Assistant Superintendent, came to Springfield with Mr. Beall in 1955. His specialty is school finance and school buildings, and he also serves as district clerk.

These three men work harmoniously for the continued betterment of the Springfield school system.

James Izett, Gordon Vance, A. H. Hoffman, Dr. Warren Glaede, Mrs. William Holly.

This group of public-spirited citizens, known as the Board of Education of District 19, have various occupations. One is a housewife and mother; one, a forester; two are farmers; and one is a doctor of medicine. They are alike, however, in their dedication to the welfare and progress of Springfield's youth and devote much of their time and energy to this work.

Science Department

To advance the interest in and knowledge of nature through the courses of physical science (biology, chemistry, and physics) is the purpose of the science department. Biology is the only course which is required; however, many students attend the several other sciences with the realization that these courses will assist them either as prospective college candidates or as future citizens of the American community. In the courses, emphasis is placed on laboratory experiments as an activity through which students come in close contact with the phenomena under study.

One of these students, Edward Wortman, S.H.S. sophomore in chemistry, was one of eighteen Oregon high school students chosen to read scientific papers to the Oregon Academy of Science at the U. of O. Medical School.

English is essential for everyday living, and students of S.H.S. are given an opportunity to improve their language skills and appreciate the beauty of great literature. English 10, 11, and 12 are required for graduation. Many students who plan to enter the business world also take Business English, which prepares them for common office usage. English Composition gives the prospective college student an opportunity to practice the techniques of writing.

Advanced placement English is also offered for those who have a possibility of petitioning out of English Composition as freshmen in college.

Other valuable electives include Speech I and II and Dramatics I and II.

S.H.S. is justly proud of its music department. The orchestra, choruses, and bands have given outstanding concerts, in addition to special numbers on various occasions.

Springfield High School had the largest representation of any school in the district at the District Four Music Contest held in Monmouth, where individual performers accumulated twenty-one 1's or superior ratings, and fourteen 2's or excellent ratings.

All students are required to complete one year of mathematics and pass a test in their junior year or take some course in mathematics their senior year. A variety of courses is offered including Algebra I and II, Geometry, Basic, Practical, Consumer and Functional Mathematics. Students who meet definite requirements may take either Advanced Mathematics or Advanced Placement Mathematics. The latter course will give four hours of college credit provided the student can pass an examination in college algebra and trigonometry with a grade of "A" or "B."

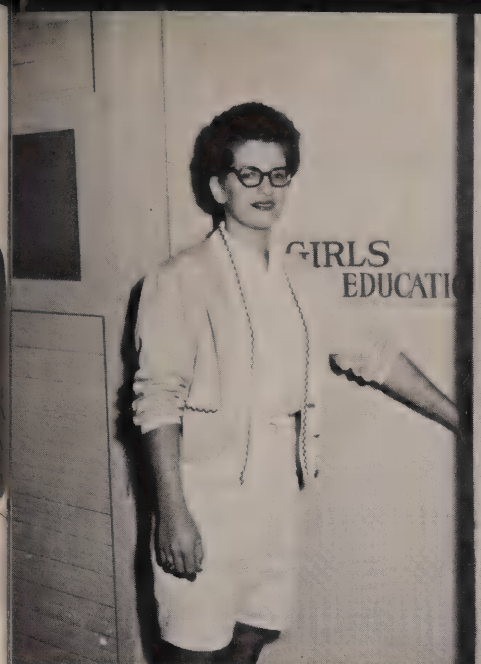

The Springfield Mathematics Department has proved its superiority by placing students among those of the top ten schools of the state, eight out of the past ten years, in examinations sponsored by the Mathematics Association of America.

Gone are the days when a physical education class consisted of basic exercise. Some of the activities the students participate in are volleyball, softball, basketball, first aid, modern and social dancing, tennis, gymnastics, and swimming. Social Studies

The general objective of the Social Studies program is developing an understanding of and appreciation for our democratic way of life. The student also develops understanding, attitudes, and behavior needed for community life. World History is an elective course for those who wish more history. U.S. History is required for all juniors, and American Problems is required for all seniors. P.T.S.A. discuss functions of the school.

The main purpose of the Parent Teacher Student Association is to serve as a link among the students, the parents, and the administration. Meetings are held throughout the school year and various activities are arranged for the students, parents, and teachers, such as the class potlucks. The officers for the year of 1960-61 are as follows: Mrs. James Izett, president; Mr. Norman Larson, vice-president; Mrs. Leslie Beebe, secretary; Mrs. James Fleck, treasurer; Mrs. John Hart, historian; Mrs. Richard Falk, parliamentarian.

P. T. S. A. and Boosters Support S. H. S.

The Boosters are a group of local businessmen who have organized to support Springfield and Thurston High School athletics. They meet every Friday morning for breakfast during the football and basketball seasons to discuss the sports events of the week, hear the interesting sports personalities, or view moving pictures of athletic events. Dr. Warren Glaede served as president the past year.

Composed of the Student Body Executive Council and homeroom representatives, the Student Council proved to be a very capable group in handling Springfield High School student affairs for the 1960-61 school year.

Student body president, Dave Crowe, showed outstanding leadership, not only in council meetings, but also in all other aspects of his office.

During the year, this body of students convened every other Tuesday to propose and discuss issues concerning the students and school.

Class of '61 Bids Farewell

The Class of 1961 first captured the SHS spotlight as awkward sophomores in the fall of 1958. The traditional burning of the "S" at Homecoming and outstanding scholastic achievements brightened the year's events.

As juniors, the Class of 1961 assisted in leadership of the school and concentrated with dauntless enthusiasm on their presentation of the Junior-Senior Prom with a theme of "Heaven on Earth."

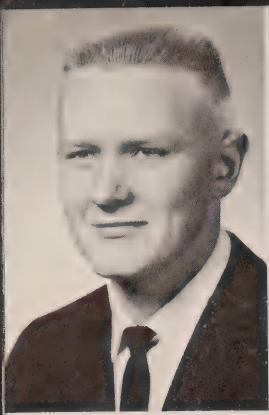

Outstanding leaders and scholars emerged from the groups during their senior year as the class proved to be "tops" in every aspect of high school life. The future holds assured success for the Class of 1961 as they fulfill their motto of "Today Decides Tomorrow."

Senior boys exhibit qualities of dignity and poise at the senior assembly.

Class leaders, Dave Crowe and Steve Peglow, participate in an assembly.

Juniors Have Busy Year

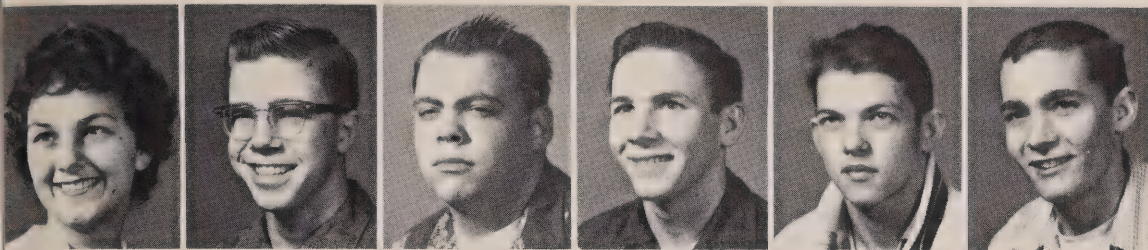

On the following pages appears the class of '62. Led by President Ron Willoughby and advisers, Mrs. Perkins and Mr. Pfund, the juniors' activities for the year began with Homecoming and culminated with a memorable Junior Senior Prom. The time between was filled with such events as float-building for the Christmas Parade, the Winter Party, the Print-and-Cord Week and final examinations. With this broad foundation of experience, the juniors are ready to take their places as seniors and leaders in the coming year.

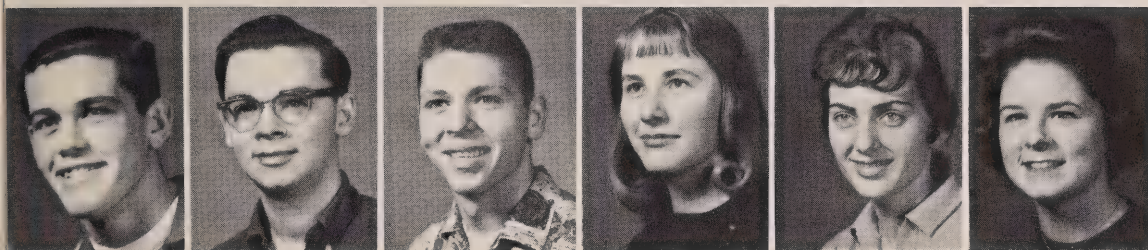

Mr. Falk, Mrs. Perkins, Mrs. Ellingsen, and Mr. Pfund, Advisers.

Organizations

The gavel is the symbol of student leadership and authority, granted by the students themselves to those they consider worthy of the honor. In this way, they learn the opportunities and the responsibilities of self-government.

Students Enjoy Lounge

Each noon our Student Lounge echoes the joyful noises made by students enjoying freedom after a morning of classes. Boys and girls play shuffleboard, listen to the juke box, and patronize the concessions. The Lounge is often the scene of after-game dances during the year. It is one of the most used sections of the school.

Students offer challenge for lounge staff.

Council Represents Girls

The Girls' League sponsored activities with the purpose of co-ordinating the girls in the school. At the beginning of the year, the Big and Little Sister Party brought all the girls together for the first big activity of the year. Other activities included preparing Thanksgiving baskets for needy families and presenting a Christmas program at a rest home. The Girls' League also conducted an effective clean-up week. The council was headed by President Judy Feiereisen, V. President Bette Weed, Secretary Carol Bates, and Treasurer Joyce McBee. At the end of the year the League presented a cup to the outstanding girl of the year and a scholarship to a deserving senior girl.

Girls-of-the-month chosen for this year were Elaine Kopperud, Signe Lillegren, Machele Williams, Karen Henry, Arlene Tolleson, Mikie Thomas, Marilyn McKinley, Jill Hoenhaus, and Janice Seibold.

Alliance Council Co-ordinates Activities

The Boys' Alliance co-sponsored many activities with the Girls' League this year. Included among these were the Hello Dance, the Winter Party, and the Print 'n Cord activities. In order to raise money for the Donna Mitchell Scholarship Fund, the boys held a car wash. At the end of the year, a Boys' Alliance scholarship was presented to a deserving senior boy. The gold cup was awarded to the boy voted the "Outstanding Boy of the Year."

This year the council chose Cecil Dillard, James Tillapaugh, Dave Crowe, Dave Love, Greg McMackin, Joe Bell, Terry Burrell, Roger Hansen, Jack Graham, and Tom Saunders, to be honored as Boys-of-the-month.

Varsity Rally Adds Spirit

Cheery smiles, graceful movements and abundant school spirit are appropriate descriptions for the rally squad which was led by Yell Queen, Bette Weed.

In the spring, the student body elected nine students, who practiced during the summer to start the new school year with enthusiasm. New yells, in addition to the old ones, kept the rooting section alert.

Tumblers Entertain with Perfection

Members of the Tumbling Team are chosen on the basis of grace, agility, and performance. Under the leadership of President Sally Sanborn and adviser, Miss Weding, the Tumbling Team presented two half-time shows and entertainment for various civic groups. Because these girls enjoy performing tumbling tricks and working on original formations, such as their pyramids, they spent much time in training. While their work benefits themselves, it is also entertaining to others.

SITTING: Cheri Vinson, president; Left to right: Patti Page, treasurer; James Ellison, vice-president; Sandra Palaniuk, secretary.

The Concert Chorale performed such things as caroling for the junior and senior high schools, for the community, and hospitals. They also participated in various assemblies such as the Christmas and Good Friday services.

They are not a group which is created only for work. They also enjoyed singing at such events as exchange assemblies, hosting other choirs, presented a Spring Concert and Christmas vesper service. This year they combined with Thurston High School in many activities.

This year there is a new singing group consisting entirely of girls at Springfield High. The forty-five voice Choralier group has established many high standards. Throughout the school year, they have presented such varied programs as a Christmas Cantata, a Spring Concert, assemblies, and a recording session.

The Triple Trio from this group earned a I in the district music contest at Monmouth.

The Choraliers have acquired a high reputation during the past year by singing songs varied in style including Negro spirituals, ballads, sacred music, and Thirteenth Century songs.

Springfield High School can be proud of its outstanding band program. Under the guidance of Gene Slayter, many fine musicians gain skills and knowledge to prepare them for advanced band work. The Concert Band is composed of the school's most accomplished instrumentalists. They present two enjoyable concerts each year, one in the winter, and one in the spring. Activities

A crown for a night, her first corsage, laughter, applause . . . an evening to anticipate — too soon a memory.

A crowd of about 200 muu-muu clad girls attend this event.

Girls Go Native

"Hawaiian Holiday" was the theme of the annual Big and Little Sister Party for 1960. Before the big Luau, a Hawaiian grace was given. The girls at each table sang Hawaiian songs which added to the atmosphere.

Entertainment, centered on the Hawaiian theme, was provided by various students. Cheri Vinson performed a hula and Sandy Thompson and Norma Jones sang a humorous song.

The Girls' League annually sponsors this well-attended activity. This year the party was under the leadership of Judy Feiereisen, Girls' League president, and other committee chairmen working closely with their adviser, Mrs. Olivia Claypool.

Fall Brings Homecoming

The traditional homecoming crown placed on the head of Linda Haugen, named her Queen Millerette XXI for the 1960 Homecoming activities. Her court consisted of senior princesses, Janet Gerlach and Linda Nice; junior princess, Astrida Berzs; and sophomore princess, Marilyn Cheshire.

A noise parade held in the downtown district preceded the coronation. Antique cars contrasted with the new models transporting the nominees for the court.

At the big rally in the football stadium after the parade, Queen Millerette XXI was crowned; and alumni, coaches, and football team were introduced. The burning of a huge "S" climaxed the evening.

The homecoming game with Klamath Falls extended the excitement into the second evening. After the game, a reception in the library for the SHS alumni honored the oldest alumni, Mrs. Ross Mathews, who graduated in 1895. At the same time in the cafetorium, students danced in a setting of autumn leaves.

James Tillapaugh, Machele Williams, and Carol Bates supervised this year's homecoming activities.

"Dino" Presented as A. S. B. Play

"Dino" by Kristin Sergel was chosen to be the 1961 Student Body Play. This was the characterization of a teen-age boy caught in a whirlpool of social rejection and family discord. Mr. Norman Anderson directed the play, assisted by Diane Lady, student director. Terry Burrell and Bette Weed played the lead roles with sincerity and feeling. Supporting roles were played by Raleigh Darr, Linda Haugen, Gail Zilkoski, Larry Wood, Doug Briesse, Linda Quillin, Arline Keck, Jim Edom, Pat Henderer, Claren Best, Doug Rowe, Charlotte Jensen, Rich Petersen, Janet Litterick, Pat Page, and Linda Ward.

Sports

A great team effort, screams from a thrilled student throng, voices raised in the "Alma Mater," then the clanging of the S.H.S. victory bell.

The Millers are coached by Norm Chapman and his assistants, Bill O'Neal, Stan Dmochowsky, and Dave Powell.

Steve Peglow looks appreciatively at his trophy after being selected Outstanding Senior Football Player.

Hustle and Determination Spark Young Miller Squad

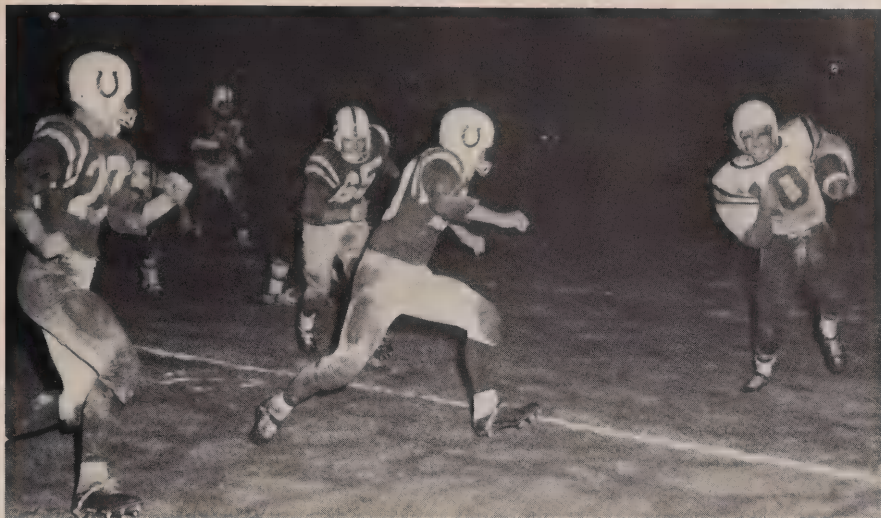

Competing in the stiff 5-A-1 league, the fighting Millers began their season with a 19 to 6 victory over the Cottage Grove Lions. Returning lettermen, Captain Steve Peglow, Gary Reed, Jim Garrison, Tom Finucane, and Clarence Humphreys, with transfers Jack Blankenship and Don Cloutier, proved the mainstays for the inexperienced squad, which finished with two wins and seven losses. Seniors Bob Evenson and Ed Guiley played well in their first season of varsity competition while Dave Love kept all equipment in order.

Head Coach Norm Chapman and his assistants Bill O'Neal, Stan Dmochowsky, and Dave Powell, found hope for the next year in the final 6-0 win over the Thurston Colts; in the sparkling play of juniors, Don Mannila, Dieter Henry, Johnny Wright, Arlen Reding, and Steve Long; and in the promising J.V. team.

Joe Heacock, Thurston ace, fights his way through a pack of aggressive Miller defenders on Silke Field.

After hauling down a Finucane pass, Steve Peglow struggles for valuable yardage against a host of North Bend tacklers.

Tom Finucane clings to the pigskin.

All-District end, Steve Peglow, is mothered by Thurston defenders, as he scores the winning touchdown in the last game of the season.

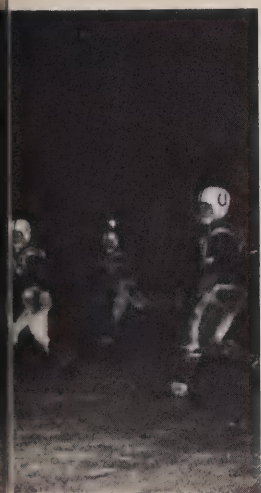

Defensive wingback, Ted Colvin, stops a South Eugene threat by downing an Axeman ball carrier.

On the Cottage Grove homefield, the Millers provide fans with a thrilling come-from-behind victory in the first clash of the 1960 season.

Good blocking by Miller linemen gives Finucane time to get away a pass against the onrushing North Bend Bulldogs.

Cross-Country Team Places Third in State

The Springfield Millers sported one of the finest cross country teams in the state this year. The team won five and lost three meets on their way to capturing the district crown. For the third year in a row, Coach Ken Reiser took a team to the state meet, held in Salem.

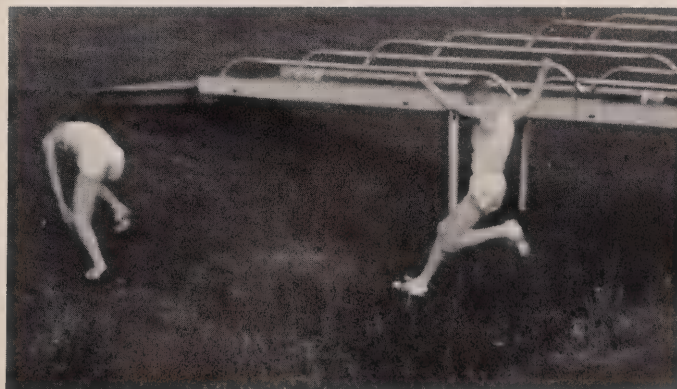

The team was paced by two three-year lettermen: Fred Dellinger and John Hales. Fred topped the state and the A.A.U. individual titles, and John placed fourth in state. Other members of the varsity squad were Micke Risher, Jerry Suiter, Jeff Straub, Harold Lohn, Dave Crowe, and Jack Graham.

The Springfield-Thurston Track and Field Club won first place in the state A.A.U. meet in Portland. This team is made up of track and field competitors from Thurston and Springfield.

Defense Is Key to 1960-61 Miller Season

The 1960-61 Springfield "Millers" began the season by dropping their first seven games.

The players then molded into a unit to defeat the North Eugene "Highlanders" 49-48 for a district upset. This was an example of the many close games that were to come. After this, the "Millers" turned in seven more wins to post a 8-14 record in the rugged 5-A-1 District.

Plagued with the return of only two lettermen, Don Herman and Harold Lohn, the team soon developed far beyond Coach Bill O'Neal's expectations to form a closely knit defensive unit.

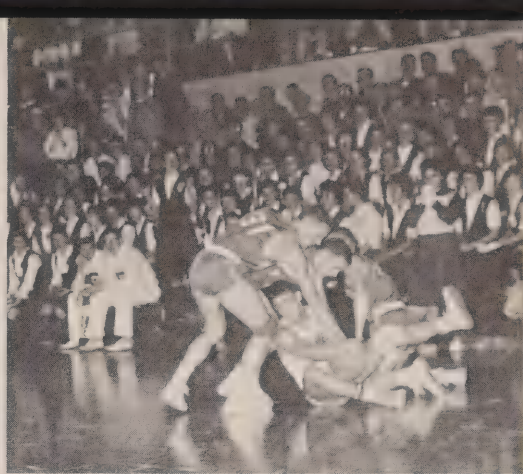

The annual KASH banquet was held April 3, 1961. It was there that Don Herman received the honor of being voted the "Most Valuable Player."

Millers Send Three to State

The highlight of this year's Springfield Wrestling Team was the sending of three senior wrestlers to the state meet at Corvallis. The three were team captain Larry Piquette, who reached the quarter finals; Larry Bruhn, a two-year letterman; and Bob Evenson, who took first place in district.

Mr. Dave Newland, former wrestling champion from the University of Oregon, is the new wrestling coach. He faced a sophomore dominated squad, which won one meet and lost eleven. Promising prospects for next year include Don Richardson, Dick Eymann, Mike Olin, Johnny Wright, and Wayne McGuire.

Netmen Compile Fine Record

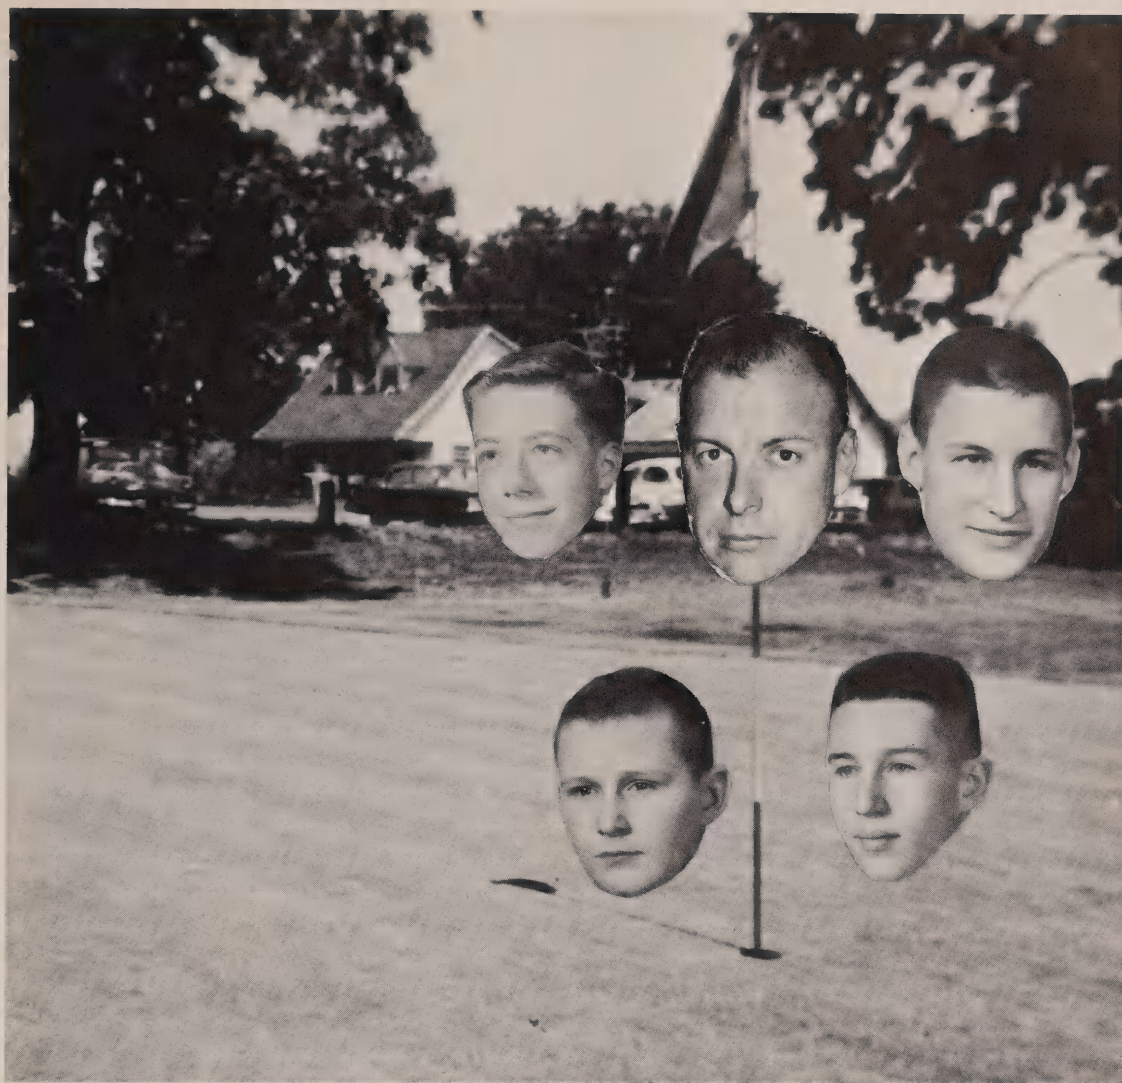

Merwin Logan

The Springfield Tennis Team of 1960-61 compiled a record of 8 wins and 3 losses. In high school competition, two of the three losses came at the hands of the eventual state champions, the Roseburg Indians. The Millers played an exhibition match with the Oregon Frosh. The score was 7-0 in favor of the Frosh, but valuable experience was gained in the process.

Merwin Logan and Eric Skinner, senior lettermen, helped the squad to win the Lane County championship. The highlight of the season came with the two defeats the Millers handed the South Eugene Axemen. The team, under the guidance of their new coach, Mr. Myers, wound up their season by competing in the District Meet in Eugene.

Golf Team Has Building Year

The S.H.S. golf team had a poor season as far as wins and losses go, but gained valuable experience which will help them improve their record next year.

The team was composed of Dave Sears, Fred Arthurs, Mike Williams, and Kregg Kneeland. Sears was the only member of the squad lost through graduation; the other three will be back to boost the squad's hopes for a successful season in '62. Coach Bill O'Neal is also counting on help from some incoming sophomores.

Girls Enter Competition

Something new appeared on the S.H.S. sports scene when the girls' tennis and track teams competed with girls from nearby high schools. Scores may not have been record breaking, but enthusiasm was high as Coach Barbara Weding sent her athletes into action.

Claren Best did well in the 50 yard dash in both meets. Virginia Hunt was outstanding in the softball throw; and, with the help of the other girls participating, Springfield tied Thurston 25-25 in the first meet, but walked away with a 31-17 score in the second meet.

The tennis team also did well for their first year. They took the first match from Junction City but lost their second to South Eugene. For the State Tennis Tournament in Corvallis, Miss Weding sent three girls to represent Springfield: Machele Williams in singles; and Andrea King and Darlene Caldwell in doubles.

Track Team Lacks Depth

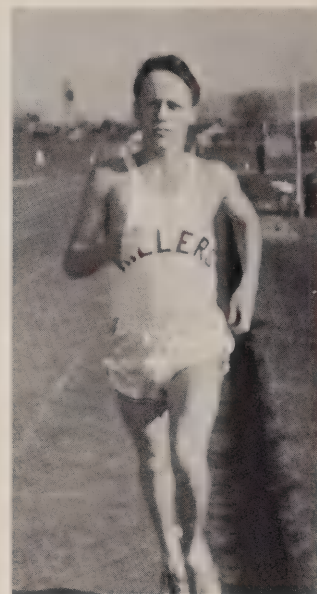

The S.H.S. Track Team, coached by Mr. Ken Reiser, had an average season this year. The team lacked depth and experience, especially in the field events. This year's team was led by senior milers, Fred Dellinger and John Hales; and sprint ace, Dave Crowe. These three were consistent point-winners in district meets and represented S.H.S. in the state meet at Corvallis, where Fred placed third in the mile and Dave took a fifth in the 220 for a total of eight points.

Although the team will be hurt by the loss of these fine

seniors, it will have a number of good prospects to take their places. Heading this list will be Jerry Suiter, a good middle distance runner who missed his chance at state this year because of illness, and Jeff Straub, a seasoned miler who will try to fill the big gap left by Dellinger and Hales. Hurdler, Don Fairchild; weightmen, Gary Wellman and Rick Speight; sprinters, Bob Howell and Wayne Howard; javelin men, Jeff Bloomquist and Mike Olin; and pole vaulter, Darryl Baeth will also be back.

Hustling Millers Provide Action

The Springfield Baseball Team had a fairly successful season, winning 9 and losing 12. This was good enough for a fourth-place finish in District 5-A-1 action. The highlight of the season was when the Millers defeated last year's district champions, North Eugene, 3 to 2.

The team was built around three returning seniors: Steve Peglow, a hard hitter; Don Herman, a smooth fielder; and Larry Goats, a steady pitcher.

The team was coached by Mr. John Young, assisted by Mr. Stan Dmochowsky and the practice coach, Jim Butler. Dave Love was student manager.

Mr. John Young has been the head of Springfield's athletic program for 17 years.

These men have guided the athletic destinies of Springfield High School during the 1960-61 season. In Athletic Director, John Young, the coaches have found a steady influence and the patience that comes from understanding their problems because of his own thirty years of experience coaching all major sports.

Springfield coaches have been college stars in the sports they coach; and their knowledge, enthusiasm, and high ideals have impressed their players and patrons alike with the value of a balanced athletic program.

Class Motto and Colors Decorate for Senior Breakfast

One of the most important events of the graduation activities is the Senior Breakfast. Held yearly on the morning preceeding graduation, the breakfast provides the senior girls with a last chance to gather as a Girls' League group.

Traditionally, the two awards given by the Girls' League are withheld until revealed at the Breakfast. Girls' League president, Judy Feiereisen, was elected "Girl of the Year" for 1961 by the entire Girls' League. The second award, the Girls' League Scholarship, was presented to Linda Ward.

As in previous years, formed cup winners were invited to attend; this year, five former recipients returned.

Following the program, all those attending joined in the singing of the "Alma Mater."

What's It Like to Be a Senior?

Being a senior has its advantages. Some of these are being the first ones on the Pep Club bus, sitting at the first lunch table, being able to effectively "dunk" a basketball (?), ring the victory bell, or adjust those "glamorous" caps on Graduation night. Advantages you say? Well, you must admit they are part of the senior tradition.
